

*It is important for a person suffering from Alzheimer's disease to have appropriate utensils, drink holders, and dishes that make eating and drinking easy. Having the appropriate devices allows the person to maintain the independence of eating and drinking without help.*

## 5. Feeding Devices

### CUP HOLDER FOR WHEELCHAIR

by Sammons Preston  
**\$20–\$25**

Keep beverages at fingertip reach with this convenient, rugged cup and holder.

- Made to clip onto any wheelchair, cane, or walker
- Easy-to-grasp cup fits securely into holder
- Snap-on lid controls flow

Available at Kmart and online from Sammons Preston.

### OFFSET SPORK

by Sammons Preston  
**\$20–\$25**

The ergonomic design of this Offset Spork helps make gripping it as effortless as possible for those with decreased upper extremity control.

Available at Kmart and online from Sammons Preston.

## HI-LO DISH

by Sammons Preston  
**\$15–\$25**

Dishes with vertical walls make it possible for individuals to maintain the ability to feed themselves. Half of the Hi-Lo Dish™ is surrounded by a 1 inch vertical wall, which helps those with limited control push food onto their silverware.

Available at Kmart and online from Sammons Preston.

## HIGH SIDE DISH

by Sammons Preston  
**\$15–\$20**

This 7-3/4 inch melamine plastic dish has 1-3/4 inch high sides to make scooping easy.

Available at Kmart and online from Sammons Preston.

## 3-COMPARTMENT SCOOP DISH

by Sammons Preston  
**\$15-\$20**

This heavy-duty 3-Compartment Scoop Dish is ideal for self-feeders with limited control. It is divided into 3 separate sections and surrounded by a 1 inch high outer wall.

Available at Kmart and online from Sammons Preston.

## TRANSPARENT MUG WITH TWO HANDLES

by Sammons Preston  
**\$15-\$20**

Spills and splashing can be controlled with the help of special mugs and glasses. This 10-ounce transparent mug helps the user drink without dribbling or spills. Two secure handles allow for easier use.

Available at Kmart and and online from Sammons Preston.

## WEIGHTED FORK

by Sammons Preston  
**\$10–\$15**

The Weighted Fork offers just a little extra weight that can make a big difference when it comes to utensils. This easy-to-grasp plastic fork has 8 ounces of additional weight, so it's easier to hold and easier to use.

Available at Kmart and online from Sammons Preston.

## WEIGHTED TEASPOON

by Sammons Preston  
**\$10–\$15**

This easy-to-grasp plastic teaspoon has 8 ounces of additional weight. So it's easier to hold and easier to use.

Available at Kmart and online from Sammons Preston.

## INDEPENDENCE CLEAR CUP

by Sammons Preston

**\$10–\$15**

This 10-ounce translucent cup with lid makes it easier for users to drink liquids and to monitor liquid intake. It includes 2 lids—1 spouted and 1 antisplash.

Available at Kmart and online from Sammons Preston.

## NOSEY CUTOUT TUMBLER

by Sammons Preston

**\$8–\$10**

Make drinking easier with this handy, well-designed Nosey Cutout Tumbler. The special nose cutout minimizes the need for your loved one to tip his or her head backward.

Available at Kmart and online from Sammons Preston.

## FOLDING DRINK HOLDER

by Sammons Preston  
**\$10–\$15**

This Folding Drink Holder snaps on when your loved one needs it, folds neatly away when he or she doesn't. The sturdy holder attaches to wheelchairs, walkers, quad, and standard canes.

Available at Kmart and online from Sammons Preston.

## STAINLESS STEEL FOOD GUARD

by Sammons Preston  
**\$15–\$20**

This Stainless Steel Food Guard snaps onto plates to keep food from sliding off and helps stabilize plates.

Available at Kmart and online from Sammons Preston.
